

TALBOT COUNTY VISUAL ARTS CENTER

Call to artists: 'Get Out There In The World!'

The Talbot County Visual Arts Center will host a March exhibit dedicated to the '*emerging artist.*' TCVAC is proud to sponsor this exhibit which will offer artists the opportunity to gain invaluable exposure in our gallery space, promote their careers as visual artists, while encouraging participation in the local arts community.

An artist can decide to emerge at any point in life – creativity comes in waves – so all '*emerging artists*' 16 years of age and older are invited to submit their work in any visual media for this show. If you're not a name in the art world, but you may have shown work before, or even not at all - then this is the

show for you!

Not famous now - but maybe soon – the show will be judged by a professional artist and a '**Best in Show**' prize will be awarded!

Requirements:

- Entries must be original works of art.
- Not copied in a class or a theme directly influenced by a teacher.
